

Welcome to the Town of Oak Island!

We are so glad you decided to come spend some time with us and we hope you make wonderful memories with your families and friends. There are just a few things we hope you'll keep in mind that will help you have an enjoyable stay.

☀ **REMINDER- No glass containers of any kind are allowed on the beach or in beach accesses.**

☀ **NEW for 2017- When you are finished for the day, please take all of your beach gear with you – it cannot be left overnight on the beach. Gear and personal items (including chairs and canopy frames) left unattended on the beach between 8:30 p.m. and 7 a.m. will be removed, but can be recovered after paying a \$50 fine. Please note that beach gear cannot be placed on the beach until 7 a.m. (previously 6 a.m)**

☀ When you go to the beach with your beach gear (towels, canopies, chairs, toys, food containers, etc.), please remember that it can't be put on the dunes. Also, your beach gear must be at least 10 feet away from turtle nests and 15 feet away from marked emergency accesses.

☀ Please use only designated walkways to get to the beach -- please stay off the dunes.

☀ Don't forget to take some sunscreen.

☀ Enjoy your snacks or picnic lunch, but remember to pack up your trash and either take it with you or use one of the containers at the beach accesses.

☀ For the safety of other visitors and sea turtles, please **fill and level all holes** before you leave the beach for the day.

☀ Please put your trash and recycling carts out Friday night so they are ready for early Saturday morning collection.

☀ During the tourist season (March 16-October 15), all dogs must be on a leash **at all times**. Please use a plastic bag to clean up after your pet, and dispose of used bags in trash containers, **not** the boxes containing unused bags.
